PROPHECY OF THE SEERESS

A troubled CEO visits a tarot card reader in a desperate attempt to avert his fate. Suddenly the two are transported to another time and place. In a parallel world Odin, the father of the Viking gods, has sought out a Wise Woman to hear her knowledge. He wants to know if there is something he can do to avoid Ragnarok – the destruction of the world. Based on a thousand-year-old Norse saga called Voluspa, this program reminds us our modern world has much to learn from the ancient Seeress, which begs the question, can we heed her dire warnings?
